

# American Society for Bioethics + Humanities (ASBH)

*The professional home for interdisciplinary collaboration, scholarship, and leadership in healthcare ethics*

## About ASBH

The [American Society for Bioethics and Humanities \(ASBH\)](#) is the leading interprofessional community dedicated to advancing bioethics and health humanities. Our mission integrates work in bioethics and the health humanities to promote the exchange of ideas and shape discourse on the future of health and healthcare.

## Why ASBH Matters

- **Interdisciplinary Collaboration** – Bringing together diverse voices to address complex ethical issues in healthcare.
- **Thought Leadership** – Driving research, education, and policy development in bioethics and health humanities.

## Membership Benefits

- **Networking & Affinity Groups** – Build relationships and collaborate with peers nationwide.
- **Annual Conference Discounts** – Access the premier event for bioethics and humanities professionals.
- **Professional Development** – Early Career Advisor Program, leadership opportunities, and career resources.

## Signature Programs

- **Annual Conference**
- **Healthcare Ethics Consultation-Certified (HEC-C) Program**
- **Core Competencies for Healthcare Ethics Consultants, Third Edition**
